PAGES 1 ENCLOSURES (NO. & TYPE)REMARKS 25X1 ☐

25X1 1. ☐ SNB units had no medical service of their own,
 25X1 each platoon having only a sergeant who had attended a medical
 instruction course. Seriously ill or injured SNB personnel
 were transferred to the nearest military hospital.

2. Medical personnel of the Czechoslovakian Army were attached to
 larger SNB units assigned to field duty.
